SUBSTATION

CURACAO

Ever wondered what's down in the deep waters surrounding Curaçao?

Then Substation Curaçao is the perfect activity for you! We offer a total of four exciting diving experiences into deep waters, down to 1000 ft (305 m). All of this happens on our trusty CuraSub, on which we explore the beautiful sea life and magnificent shipwrecks down in those deep waters. These experiences are the Adrenaline Dive, the Explorer's Dive, the Combo Dive, and the Adventure Dive.

Sort dive & Dept	Duration	Pictures	Minimum age	Price per person
Explorers Dive				
Approx.500 ft/152 m	1.5 hour	Included	8 years old	starting from \$650
Combo Dive				
Approx.1000 ft/305 m	2 hours	Included	8 years old	starting from\$800
Adventure Dive				
Approx.1000 ft/305 m	2 hours	Included	8 years old	starting from\$800

SEAWORLD EXPLORER

CURACAO

Explore the underwater wonders of Curaçao!

The Seaworld Explorer is a state of the art air-conditioned semi-submarine originally used for research on Australia's Great Barrier Reef. The vessel remains above sea level at all times and accommodates up to 34 passengers comfortably in its hull, which sits 5 ft below the surface. Huge glass windows provide spectacular views of the many different varieties of coral and fish for which Curaçao is famous. In fact, the fish come right up to your window, making it easy to snap memorable photos. The tour is ideal for the entire family and includes entertaining and educational explanations from a professional guide, plus a diver swimming alongside the submarine feeding the fish. No scuba or snorkel gear is needed, you will remain dry at all times. The SeaWorld Explorer is fully air-conditioned and certified by the Dutch Shipping Inspector.

- Meeting point at the entrance of Dreams Resort.
- Guests must be able to safely navigate 10 steps into and out of the SeaWorld Explorer.
- Bring water & wear comfortable clothes.
- Tour may be cancelled if minimum number of participants is not reached.

TROLLEY TRAIN

CURACAO

Historic and cultural sights on a fun tour through Willemstad!

Experience the beauty of downtown Curaçao on a tour that takes you through historic Willemstad. Your tour begins at Fort Amsterdam and will pass by many interesting sights. Your trolley train will continue to Scharloo, a former residential neighborhood lined with picturesque homes built during the 1880's. You will stop at Bolo di Bruit, known as the "wedding cake" house which is the city's most photographed building. Leaving Scharloo, you will pass Pietermaai Cathedral, the largest and most impressive on the island. In addition, you will see Queen Wilhelmina Park, the location of frequent cultural events, and Waterfort Arches, an imposing fortress that was the site of the Willhem III Barracks. The tour will end with a visit to Fort Amsterdam, built in 1635 to guard the vital entrance to the harbor from enemy ships.

- Meeting point is in front of Fort Amsterdam.
- Optional transfer can be booked for \$15 extra per person, subject to availability.
- There is a photo stop at the Pietermaai Cathedral.
- If the Pietermaai Cathedral is open, you may enter.
- Bring sunscreen, comfortable shoes & water
- Tour sequence may vary.

DOLPHIN ENCOUNTER

CURACAO

Learn more about dolphins!

Always wanted to learn more about dolphins? Here's your chance! During the Dolphin Encounter, you get to stand in the water on a submerged platform while interacting with one of the dolphins. While engaging the dolphin, you will learn all sorts of amazing things about this fascinating animal! Learn the life history of your dolphin, his or her age and "dolphinality", how we care for them, and how we teach them! The perfect experience for both young and old!

This experience includes free admission to Curaçao Sea Aquarium.

Family and friends are more than welcome to take photographs from our observer areas.

All observers, including parents/guardians signing waivers for minors, are required to pay the entrance fee at Curaçao Sea Aquarium.

Babies up to 2 years of age are free of charge.

Toddlers and babies must be held by their parents.

Children who are 8 years old and younger must be accompanied by a full-paying adult.

This experience is accessible for pregnant women.

This experience is accessible for people with special needs. However, consultation is required prior to reservation.

What to bring?:

- Bathing suit
- Towel
- Sunblock

DOLPHIN SNORKEL

CURACAO

Experience the dolphin world!

Submerge yourself in the dolphins' world and snorkel with these majestic animals in their natural lagoon! The Dolphin Snorkel is primarily focused on the underwater element of the experience of swimming with the dolphins. The dolphins will dive down alongside you and allow you to gently pet and interact with them underwater. Don't forget to bring your waterproof camera because you will be able to take some beautiful underwater shots with the dolphins! Additionally, you will be learning more about the dolphins' sonar ability through a fun, educational activity.

This experience includes free admission to Curaçao Sea Aquarium. This experience is not accessible for pregnant women. A snorkel set and fins are mandatory and provided by Dolphin Academy. All observers, including parents/guardians signing waivers for minors, are required to pay the entrance fee at Curaçao Sea Aquarium. Family and friends are more than welcome to take photographs from our observer areas. This program is accessible for people with special needs. However, consultation is required prior to reservation.

What to bring?

- Bathing suit
- Towel
- Sun block
- (Underwater) camera (optional)
- Mask or goggles (optional)

DOLPHIN SWIM

CURACAO

Swim side by side with dolphins!

Your day can't get any better than with a swim alongside dolphins! Enjoy the unique and personal experience of genuine interaction while swimming with dolphins in their natural lagoon. The dolphins choose for themselves when they want to swim with you. Learn how to engage the dolphins' trained behaviors through various signals!

This experience includes free admission to Curaçao Sea Aquarium. This experience is not accessible for pregnant women. Swim fins are mandatory and provided by Dolphin Academy. All observers, including parents/guardians signing waivers for minors, are required to pay the entrance fee at Curaçao Sea Aquarium. Family and friends are more than welcome to take photographs from our observer areas. However, participants may not bring a camera into the water. This program is accessible for people with special needs. However, consultation is required prior to reservation. Please contact us.

What to bring?

- Bathing suit
- Towel
- Sunblock

OCEAN LENS

CURACAO

The ultimate peek into the deep!

Can't snorkel but you're just aching to explore the wonders of the deep anyway. Then the Ocean Lens experience is the ultimate experience for you! Climb down 19 steps into a 17 foot (5.2 meter) deep chamber with a large window, called the Ocean Lens, through which you gaze out into the sea. Lie down on comfortable cushions and observe a magnificent abundance of colors and fish before you. Trust us, there is never a dull moment down there! Accompanied by a marine expert, you will also get an introduction to Curaçao Sea Aquarium in an exclusive guided tour, taking you behind the scenes. And while you assemble at Substation, you are visiting the home base of the CuraSub, our very own manned submarine that facilitates both research and tourism, exploring the reef to a maximum depth of 1000 ft. (305 meter).

This experience also includes entrance to Curaçao Sea Aquarium.

This experience includes a Behind the Scenes Tour at Curacao Sea Aquarium.

Children between 8 and 12 must be accompanied by an adult.

Groups consist of a maximum of 4 people. Bigger groups are possible upon request.

The tour is available in English, Spanish, Dutch, Papiamentu, German and French.

360 degree photo of you and your group in the Ocean Lens is available.

AQUAFARI

CURACAO

Beautiful underwater tour and the best guest experience!

This eco-friendly underwater scooter features a bell-shaped glass container that is supplied with oxygen from a scuba-diver tank, which is attached to the front of the scooter. This tank supplies enough oxygen for the entire duration of the trip. Aquafari is a fun way for non-scuba divers to experience the underwater world and experience the great sensation of breathing underwater. It's also fun to cruise around with friends on amusing yellow underwater vehicles.

- No diving experience required, Trip lead by an Aquafari professional diver.
- Wearing a wetsuit is not required.
- Minimum age requirement is 10 years old.

Before going on the adventure, you will receive a full briefing about the easy control of the underwater scooter and safety. We like to give all information to guarantee that your underwater trip will be an amazing one! The briefing is approx. 30 min before the trip.

- Minimum height requirement is 4ft (1,2 mtr) and maximum weight limit of 275lbs (125 kg).
- This excursion is not suitable for women during pregnancy and people suffering from a recent neck or back injury, heart conditions, respiratory ailments, epilepsy, claustrophobia or diabetes.
- If any of these restrictions apply to you, a doctor's consent letter is required to be allowed on the excursion.
- If under the influence of alcohol or drugs, participation in this excursion will be denied.
- If your departure flight is within 18 hours of your Aquafari trip.
- Wear swimsuit
- Bring towel
- Optional: bring ready money for food and beverages, souvenirs, etc
- Lockers are at your disposition.

ATV TOURS HALF WEST TOUR

CURACAO

Discover a part of the west coast of curacao with our atv tour!

The half west tour is the short version of the west tour.

It takes you to the west side of our island, where you can see the most beautiful off road of Curacao "The San Pedro Plateau", which will be the main attraction of this tour. We will also be driving along the North Coast to see the Witch Cave, Bos di San Antonio and much more.

Coming back up we will pass at Willibrodrus where we take a break. Here you have some time to take photos of flamingos and the famous Williwood sign.

On the road back we will pass different other locations like Kokomo Beach, Klein Hofje and Otrobanda

Includes:

- Pre-tour instructions
- Refreshments
- Local Tour Guide
- Use of Helmet
- Use of Goggles
- Use of high-quality ATV
- Email with pictures from your trip

ATV TOURS EAST TOUR

CURACAO

Discover the east coast of curacao with our atv tour!

Taking you on an off-road adventure on the east side of the island. We will pass through some beautiful neighborhoods and take you up the hills to see the eastern side of the island and some coastal areas from above. During the tour we also stop at the Aloe Vera Plantation near St. Joris and this is also where we take a break. During this tour we also visit caves and we will go to the Northern side of the island, where you can see the waves crashing into the coastal rocks.

Includes:

- Pre-tour instructions
- Refreshments
- Local Tour Guide
- Use of Helmet
- Use of Goggles
- Use of high-quality ATV
- Email with pictures from your trip

ATV TOURS WEST TOUR

CURACAO

Discover the west coast of curaçao with our atv tour!

The ATV West Tour will take you to the west side of the island to see the most beautiful beaches of Curaçao. This is our longest tour, where we will also cross the red sands of the San Pedro Plateau. Ascension is one of the many beautiful places we will visit during this trip.

This tour is different from the East Tour, because additionally you have the option to go swimming at one of our beautiful beaches in the West.

Includes:

- Pre-tour instructions
- Refreshments
- Local Tour Guide
- Use of Helmet
- Use of Goggles
- Use of high-quality ATV
- Email with pictures from your trip

E BIKE TOUR

CURACAO

Enjoy breathtaking views and discover the diversity of Curacao.

By bike you can visit places that busses cannot and go farther than you would by foot. Especially with our new E-bikes with pedal assistance. We have several exciting routes. San Pedro. Discover the rugged plain of San Pedro. On one side of the plain is the Caribbean Sea, which strikes with great force against this rocky side of the island. On the other side there are limestone plateau's with hidden caves.

During this tour you will visit 'Kueba Boz di San Antonio' and 'Kueba di Brua'. You will also make a stop at the Bull's Eye, a WWII training target for bombings from the US Army Air Forces. This is now a monument for those who have served. Jan Thiel Experience the diversity of Curacao. Uncover the history of Fort Beekenburg and the Seaman's Quarantine Building, while enjoying some spectacular views. Then bike through the rough terrain of the Jan Thiel salt flats, where you might be able to spot Flamingos

Important information

- Minimum age requirement: 12 years.
- Minimum length requirement: 160 cm/5'2" ft.
- Protective helmet is included and usage is mandatory.
- Bring sunscreen, water & wear comfortable clothes.
- Tour sequence may vary.
- Tour may be cancelled if minimum number of participants is not reached or in case of bad weather.

Duration 2 hours

- A designated driving area is applicable.
- Deposit of USD 250 is required (credit card).

Duration 6 hours

TUG BOAT & TURTLE SNORKELING

CURACAO

Explore the stunning underwater world!

Our first snorkel stop is at the Tugboat, a 30 ft still-complete wreck, located in 17 ft of water. The Tugboat has been beneath the waves for three decades and is encrusted with corals. Lots of tropical fish will surround you here. The Tugboat is among the best snorkel and dive sites of Curaçao, due to the shallow water and easy access. From there we will drive you through the countryside to a natural beach at the island's most western point. You will have a chance to get to know a part of the island's underwater world and possibly spot sea turtles at this beach. Together with your guide, you will discover the beauties of the Caribbean Sea. It is great fun to snorkel and to explore Curaçao's amazing and stunning marine life. This snorkel spot has so much to offer, such as numerous multi-colored tropical fish and the opportunity to swim with sea turtles that frequently visit this beach. Your snorkel guide will assist you and help you recognize the beautiful fish that surround you.

Important information

- Pick up at the hotel included, except for hotels on the west side of Curaçao.
- Snorkeling gear and life jacket included.
- Bottle of water and a local snack are included.
- Bring a swimsuit, towel, dry clothes & sunscreen.
- A slight current can occur, it may be windy and there maybe waves.
- Beach can be rocky (old coral), which can make entering thesea a bit difficult.
- No facilities at the beach.
- Turtle swimming is not guaranteed.
- Tour may be cancelled if minimum number of participants isnot reached.

ISLAND TOUR

CURACAO

Get to know Curacao with this amazing tour!

During this highly varied tour you will see many important sights of Curaçao. You will drive through Scharloo with its many beautiful buildings which are featured on the UNESCO World Heritage List. You will also visit the Curaçao Liqueur Distillery, where they make the famous Curaçao Blue Liqueur.

To continue our tour, we will leave town and drive to the Jan Kok salt flats to enjoy the magnificent view of the surrounding hills. In addition, you will have the opportunity to take superb photos of the most beautiful beach of Curaçao, Knip Beach. Finally, you will visit Boka Tabla in the Shete Boka National Park, with its rugged coastline and tempestuous sea. During this tour you can enjoy lunch at a local restaurant serving a variety of local dishes.

Important information:

- 1 soft drink or water is included.
- Lunch is not included.
- Flamingo watching is not guaranteed.
- Bring a swimsuit, towel, dry clothes & sunscreen.
- Tour sequence may vary.
- Tour may be cancelled if minimum number of participants is not reached.

HISTORIC WALKING TOUR

CURACAO

Uncover the history behind the buildings and visit the city's main attractions!

Explore Willemstad's Dutch architecture, pastel-colored buildings and ornate facades during a guided walking tour of the historic city, a UNESCO World Heritage Site.

Your walking tour begins in the city's main square. From here we will walk to Kura Hulanda, which features many recently restored historical buildings and is situated right in the city center facing the St. Anna Bay of Willemstad. After this stop, you will walk along the waterway to the Queen Emma Pontoon Bridge, cross the inlet by foot or ferry and head to Willemstad's historic downtown district. See Fort Amsterdam, built in 1635, which now functions as the Governor's Palace. A beautiful Protestant church is situated at the rear of its courtyard. You will pass by various government buildings and the old fort's arched wall, which now houses a promenade of seaside cafés and shops. There will be a brief stop at a marketplace, where local food and other interesting items are sold. During the walk you will also pass the oldest continually used synagogue in the western hemisphere.

Important information

- Meeting point is at the bus station in front of Rif Fort.
- Optional transfer can be booked for USD\$15 per person, subject to availability.
- Bring sunscreen, water & comfortable shoes.
- Tour sequence may vary.
- Tour may be cancelled if minimum number of participants is not reached.
